

## THE SOLUTION TO REDUCE Employee Financial Stress

BrightDime offers coaching, tools, and content to help employees better organize their finances and solve their toughest money challenges.

### PERSONALIZED COACHING

Expert coaches are available to provide objective guidance on tough financial questions through live chat, making the experience personal and private.

### REAL-TIME DATA

Convenient user dashboard helps employees track budgets and goals, review spending, and see their personal balance sheet with one login.

### EASY-TO-FOLLOW CONTENT

Employees can access articles, videos, and webinars that are trustworthy and unbiased to learn how to tackle debt, credit, saving, and unexpected expenses.
